

Bihor magnet sensor

KY-035

Technical Specifications

Model	Bihor magnet sensor
Article No.	SEN-KY035
Function	The sensor outputs an analog voltage signal indicating the strength of the magnetic field
Chipset	AH49E
Operating voltage	5V
Dimensions	15 x 30 x 7mm
Scope of delivery	Bihor Magnet Sensor
EAN	4250236816852
